W.P.No.5194 of 2003

ORDER:

In this writ petition the petitioner seeks directions by way of Mandamus to declare the action of the respondents in not issuing the original certificate of Diploma in Pharmacy.

Petitioner after completing his graduation in B.Sc., has joined in the two years diploma course in Pharmacy during the year 1974-76 and passed such course. It is the grievance of the petitioner that though the memorandum of marks and provisional certificates were issued, but however, her original certificate was not issued by the respondents. The said examination was conducted by the State Board of Technical Education and Training.

It is submitted by the counsel for the 1st respondent that the original certificate was sent to 2nd respondent college. But however, the petitioner has produced a copy of the letter dated 26-8-2002 which is addressed by the 2nd respondent-principal to the Secretary of the

1st respondent Board of Technical Education, in which it is stated that original diploma certificate in Pharmacy in regard to the petitioner with

Sl.No.76 was not received by the institution and a request was made to send original diploma certificate to the institute.

While it is the case of the 1st respondent that it was sent to 2nd respondent, it is stated by the 2nd respondent that the same was not received. Be that as it may, as it is not in dispute that the petitioner has passed in the said course and was already issued other certificates viz., memorandum of marks, provisional certificate, the writ petition is disposed of permitting the petitioner to make application to the 1st respondent-State Board of Technical Education and Training for issuance of duplicate copy of the certificate by paying necessary fees. If such application is filed, the 1st respondent shall consider to issue necessary certificate of Diploma in Pharmacy. No order as to costs.
